

Direct the Future of the BCMA

VOTE IN THE BCMA ELECTION THIS SPRING

I believe in change:

- An open and strong BCMA that reflects the membership.
- A BMCA that works for all members and divisions.
- Strong and funded Primary and Shared Care.
- Patient access to care through adequately funded community and hospital facilities.
- Fully informing the membership so it can make intelligent choices on BCMA direction.
- Humility and term limits, rather than lawsuits.

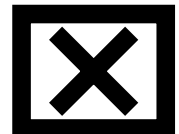

VOTE FOR A NEW VOICE:

- ✓ Revitalization of the Board
- ✓ Honesty and integrity
- ✓ Hard work
- ✓ Expressing *your* interests
