

Statement for Rosanna Lima

I do believe we have to be as transparent as possible when dealing with public matters.

My main priority is to improve our organization to have as much input from our members.

My goals are transforming our organization into a living body to look after our interests as professionals to the best of the public interests.

I recognize there is a lot to learn and I am ready to dedicate a good amount of time to perform that task to the best of my dedication.

Thanks

Rosanna Velleca Lima
